

Camas County School District Library

April 2017

Candice Millard

This year's theme for National Library Week is "Libraries Transform," and Olympic soccer gold medalist and World Cup champion Julie Foudy is lending her support as National Library Week Honorary Chair. Foudy is helping to shine a light on the value of all types of libraries—school, public, academic and special—and the expertise of library workers.

We began our month of March celebrating International Women's Day on March 8th during our library classes. Students and teachers continued to learn about Famous Women in History with stories, videos and book displays that were placed around the library. Six new sets of books were purchased for this event. "12 Authors Who Changed the World, 12 Business Leaders Who Changed the World, 12 Children Who Changed the World, 12 Entertainers Who Changed the World; 12 Political Leaders Who Changed the World, 12 Scientists Who Changed the World". Also new, *The Great Moments in Science Series* with "Rachel Carson Sparks the Environmental Movement".

Randy Jewett was the Jr. High Reading Club's Special Guest

Mr. Jewett came to our last regular meeting and talked about his favorite books and authors. His favorite genre is history and he donated one of his books to the library after talking about it. "*Lincoln's Last days*" by Bill O'Reilly. Mr. Jewett's all time favorite author is Candice Millard. Two of her best selling books are "*Destiny of the Republic: A Tale of Madness, Medicine and the Murder of a President*" as well as "*The River of Doubt: Theodore Roosevelt's Darkest Journey*". Mr. Jewett likes the Hardy Boys Series and has several earlier editions in his personal book collection.
